<b>POLICY:</b>	<b>MANAGEMENT OF CONTAMINATED LAND</b>
<b>FUNCTION:</b>	<b>Development/Strategic Planning</b>
<b>OBJECTIVE:</b>	<b>To provide a legally compliant framework for the assessment and management of contaminated lands within the Richmond Valley Council that is also consistent on a regional basis</b>
<b>DIRECTORATE:</b>	<b>ENVIRONMENTAL DEVELOPMENT SERVICES</b>

---

---

## **POLICY:**

1. The aim of this policy is to adopt the agreed regional approach for the Management of Contaminated Lands to ensure that Council is:
  - (a) meeting its statutory obligations,
  - (b) meeting its environmental and public health obligations, and
  - (c) dealing with contaminated land management and assessment in a regionally agreed approach.
  
2. This policy will implement the current “Regional Document” for the Management of Contaminated Land as agreed by Northern Rivers Regional Councils (refer Attachment). The document will be amended from time to time.

*(Note: An amendment has been made to Clause 4.9 of the Regional Document).*
