

Council Policy

Policy Title:	Installation of Street Lights
Policy Number:	11.6
Focus Area:	Transport and Infrastructure
Responsibility:	Asset Planning
Meeting Adopted:	23 June 2015 - 230615/14

OBJECTIVE

To ensure minimal disturbance to residents from installation of new lighting.

POLICY

1. Council only approve the installation of a street light on an existing pole if the request is accompanied by a formal submission including the signatures of residents of the four houses on both sides of the road adjacent to the pole on which the street light is requested.
2. No street light to be approved where the installation of a new pole is required unless totally funded by the applicant.

REVIEW

This policy will be reviewed by Council at the time of any relevant legislative changes, compliance requirements or at least every four years.
