

What is the Home Schooling Book Supply Service?

This is a time saving service offered by your local library to families that are Home Schooling their children. Per your request staff will choose a selection of books for you to use in your classroom.

The service offers an extended loan period of 6 weeks instead of 3 weeks.

What materials can be included in your pack?

Your home schooling book pack may include up to 20 items per child / library card.

One or several themes / subjects maybe requested and included in a pack.

How can I request a pack?

You must hold a current Library card belonging to the Richmond-Upper Clarence Regional Library service.

Fill out the details section of this brochure and hand your form to your local Library.

Once you have placed your request allow at least 2 weeks for staff to co-ordinate and collect your requested resources, and have them delivered to your collection branch.

What else should I know?

At times during the year certain themes/subjects may be unavailable due to being loaned to other home schooling families or individual patrons.
