

KEY:

● PROPOSED PARK UPGRADES

1. NEW ENTRY SIGNAGE

Replace existing sign with new entry sculpture in Goanna Headland sculpture style.

2. REPLACE EXISTING PUBLIC TOILETS

Replace existing toilets with new Landmark accessible toilet building (1 male & 1 female).

3. RETAIN EXISTING LOOKOUT INFRASTRUCTURE

Retain Evans Head Marine Rescue & flagpole, communication tower, carparking & public viewing structures.

4. RETAIN HISTORIC ANCHOR

5. RELOCATE CENTRAL CAR PARKING

Relocate 5 existing car spaces in centre of lookout area to expanded eastern carpark. Reclaim area for new picnic shelters with ocean outlook.

6. REPLACE TIMBER RETAINING WALLS

Replace existing timber retaining walls with 'sandstone log' units like Woodburn Park. Replace existing timber handrails.

7. REPLACE EXISTING PICNIC SHELTERS & BBQ'S

Locate 5 new picnic shelters to provide ocean outlook, with 2 new BBQ shelters behind.

8. UPGRADE PEDESTRIAN PATHWAYS

Replace existing pathways to access new shelter locations and ensure accessibility compliance.

9. RESTORE GOANNA HEADLAND SCULPTURE

10. REPLACE EXISTING BOLLARD & CHAIN BARRIERS

11. INSTALL NEW SEATING

Install new seating to take in ocean views.

12. EXPAND EASTERN CARPARK

Reconfigure parking to provide 9 additional car spaces from central car parking area. Include one accessible space. Modify exit for one-way traffic flow.

13. RELOCATE WAVE SCULPTURE

14. UPGRADE OCEAN DRIVE STAIR ACCESS

Replace existing timber retaining walls with 'sandstone log' units like Woodburn Park. Replace existing timber handrails.

15. MAINTAIN EXISTING VEGETATION

Replace existing timber retaining walls with 'sandstone log' units like Woodburn Park.
