

Award Winning Library Services

We are proud to announce that at the recent NSW Public Libraries Association Conference held in Penrith, Richmond Valley Council received an award for Innovation in Outreach Services. This award recognises the storytime program delivered by the Library's Programs and Events Coordinator, Sylvia Cooling, to children at Jumbunna Community Preschool and Early Intervention Centre (Casino) and Jumbunna Mobile Playgroup (Stratheden). Well done, Sylvia!

Gary Ellem (centre) accepted the award on behalf of Richmond Valley Council.

Regional Library Manager Gary Ellem and Casino Library Coordinator Ngarie Macqueen attended the "Great Gatsby" themed Conference dinner.
