 General comments:
 This report must not be reproduced except in full. This report relates only to items tested as specified herein.

 Samples analysed between date received and date reported. Accredited for compliance with ISO/IEC 17025 - Testing

 # NATA accreditation does not cover the performance of this service. Tests marked with * are subcontracted.

 LOR denotes 'Limit of Reporting'
 < denotes less than; > denotes greater than; ND denotes 'not detected'

 The results of the tests, calibrations and/or measurements included in this document are traceable to Australian/national standards
