

Evans Head Library Project

The Evans Head Library project is progressing nicely with the old library being transformed into a more spacious and welcoming library.

The outside of the library has been rendered providing it with a more modern look and the new carpet looks amazing.

Meanwhile the temporary Evans Head Library continues to operate out of the Visitor Information Centre with three public internet PCs available for use.

Opening Hours are Monday-Friday 8.30am-4.30pm and Saturday 9am-12noon.

Save Power Kits

Both Richmond Valley Council and Kyogle Council are members of the NSW Department of Planning, Industry and Environment's Sustainable Councils and Communities Program (SCC).

As part of their community outreach work the SCC program is relaunching what is known as the Save Power Kit project. The Kits are designed to assist residents to identify potential energy savings in their own home.

The Save Power Kits have been distributed to Councils and are now available for loan from Casino Library (two kits) and Kyogle Library (two kits).

What's On

In considering the current State Government Regulations regarding COVID-19, we advise that all Library programs have been suspended until at least Friday 9 July 2021.

All our Library branches remain open with the following procedures in place:

- Face masks are now compulsory in all our Libraries.
- The one person per four square metre rule has been re-introduced.
- Please sign in via the QR Code when entering the library.
- Please use the hand sanitizer provided.

The Library Reserve & Collect service is available for members who are self-isolating. Phone us during business hours for further information.

Thank you for your cooperation.
