In this novel, The Magician, Colm Tóibín captures the profound personal conflict of Thomas Mann's very public life, and through this life creates an intimate portrait of the twentieth century.

The Magician **Colm Toibin**

When the Great War breaks out in 1914 Thomas Mann, like so many of his fellow countrymen, is fired up with patriotism. He imagines the Germany of great literature and music, that had drawn him away from the stifling, conservative town of his childhood, might be a cause of pride once again. But his flawed vision will form the beginning of a dark and complex relationship with his bomeland, and see the start of great conflict within his
