Adding a title, person, or series to your Favorites list allows you to quickly find titles you would like to borrow later, or find the newest titles from series or people you enjoy. They're like bookmarks into hoopla's vast catalog.

Touch or click the vicon when viewing a title, person, or series to add it to your Favorites.

Hoopla allows you 6 borrows per month, with a lending period of 3 weeks

If you have found a title that you're interested in, but you are out of borrows for that month, you are able to save the title to your 'Favourites' folder, so that you can revisit it when your monthly borrows are topped up

To favourite a book, tap the heart symbol next to the title  $\heartsuit$
