Mr Brendon Torrens Aboriginal Site Officer for Casino Boolangle LALC met with Mr Adrain Piper Archaeological Consultant and the property owner on the 19th of August, 2005.

The field inspection took place on the property (19th August 2005), at Lot 4 DP 708496, Gregors Road, North Casino and no visual or physical evidence of Aboriginal Cultural Heritage was found during the survey.

As stated by Mr Adrain Piper in his report, we the Casino Boolangle LALC recommend that if in the process of construction or associated works, where Aboriginal sites or relics are found, works at and adjacent to the material must stop.

The Casino Boolangle LALC Aboriginal Sites Officer must be contacted as soon as possible, to advise on the next appropriate course of action. Works must not proceed without authorisation of Casino Boolangle LALC and Junbung Elders.
