## POLICY OVERVIEW

This policy enables the reasonable and appropriate reimbursement of expenses and provision of facilities to Councillors to help them undertake their civic duties.

It ensures accountability and transparency and seeks to align Councillor expenses and facilities with community expectations. Councillors must not obtain private or political benefit from any expense or facility provided under this policy.

The policy has been prepared in accordance with the *Local Government Act 1993* (the Act) and Local Government (General) Regulation 2021 (the Regulation) and complies with the Office of Local Government's Guidelines for the payment of expenses and provision of facilities to Mayors and Councillors in NSW.

The policy sets out the amounts Council will pay for specific expenses and facilities. Expenses not explicitly addressed in this policy will not be paid or reimbursed. Additional costs incurred by a Councillor in excess of these limits are considered a personal expense and are the responsibility of the Councillor. Councillors must provide claims for reimbursement within three months of an expense being incurred. Claims made after this time may not be approved.

## PART A - INTRODUCTION

### 1. Introduction

- 1.1 The provision of expenses and facilities enables Councillors to fulfil their civic duties as the elected representatives of Richmond Valley Council.
- 1.2 The community is entitled to know the extent of expenses paid to Councillors, as well as the facilities provided.
- 1.3 The purpose of this policy is to clearly state the facilities and support that are available to Councillors to assist them in fulfilling their civic duties.
- 1.4 Council staff are empowered to question or refuse a request for payment from a Councillor when it does not accord with this policy.
- 1.5 Expenses and facilities provided by this policy are in addition to fees paid to Councillors. The minimum and maximum fees a Council may pay each Councillor are set by the Local Government Remuneration Tribunal as per Section 241 of the Act and reviewed annually. Council must adopt its annual fees within this set range.

### 2. Objectives

- 2.1 The objectives of this policy are to:
  - Enable the reasonable and appropriate reimbursement of expenses incurred by Councillors while undertaking their civic duties;
  - Enable facilities of a reasonable and appropriate standard to be provided to Councillors to support them in undertaking their civic duties;
  - Ensure accountability and transparency in reimbursement of expenses and provision of facilities to Councillors;
  - Ensure facilities and expenses provided to Councillors meet community expectations;
  - Support a diversity of representation; and
  - Fulfil the Council's statutory responsibilities.

### 3. Principles

#### 3.1 Council commits to the following principles:

- Proper conduct: Councillors and staff acting lawfully and honestly, exercising care and diligence in carrying out their functions.
- Reasonable expenses: providing for Councillors to be reimbursed for expenses reasonably incurred as part of their role as Councillor.
- Participation and access: enabling people from diverse backgrounds, underrepresented groups, those in carer roles and those with special needs to serve as a Councillor.
- Equity: there must be equitable access to expenses and facilities for all Councillors.
- Appropriate use of resources: providing clear direction on the appropriate use of Council resources in accordance with legal requirements and community expectations.
- Accountability and transparency: clearly stating and reporting on the expenses and facilities provided to Councillors.

### 4. Private or political benefit

4.1 Councillors must not obtain private or political benefit from any expense or facility provided under this policy.

4.2 Private use of Council equipment and facilities by Councillors may occur from time to time. For example, telephoning home to advise that a Council meeting will run later than expected.

4.3 Such incidental private use does not require a compensatory payment back to Council.

4.4 Councillors should avoid obtaining any greater private benefit from Council than an incidental benefit. Where there are unavoidable circumstances and more substantial private use of Council facilities does occur, Councillors must reimburse the Council.

4.5 Campaigns for re-election are considered to be a political benefit. The following are examples of what is considered to be a political interest during a re-election campaign:

- production of election material;
- use of Council resources and equipment for campaigning;
- use of official Council letterhead, publications, websites or services for political benefit; and
- fundraising activities of political parties or individuals, including political fundraising events.

## PART B - EXPENSES

### 5. General expenses

- 5.1 All expenses provided under this policy will be for a purpose specific to the functions of holding civic office. Allowances for general expenses are not permitted under this policy.
- 5.2 Expenses not explicitly addressed in this policy will not be paid or reimbursed.

### 6. Specific expenses

#### *General travel arrangements and expenses*

- 6.1 All travel by Councillors should be undertaken using the most direct route and the most practicable and economical mode of transport.
- 6.2 The mayor and each Councillor may be reimbursed for travel expenses incurred while undertaking official business or professional development or attending approved conferences and seminars within NSW. This includes reimbursement:
  - for public transport fares;
  - for the use of a private vehicle or hire car;
  - for parking costs for Council and other meetings;
  - for tolls; and
  - for documented ride-share programs, such as Uber, where tax invoices can be issued.
- 6.3 Allowances for the use of a private vehicle will be reimbursed by kilometre at the rate contained in the Local Government (State) Award.
- 6.4 Councillors seeking to be reimbursed for use of a private vehicle must keep records of the date, distance and purpose of travel being claimed. Copies of the relevant record must be provided with the claim.

#### *Interstate, overseas and long-distance intrastate travel expenses*

- 6.5 In accordance with Section 4, Council will scrutinise the value and need for Councillors to undertake overseas travel. Councils should avoid interstate, overseas and long-distance intrastate trips unless direct and tangible benefits can be established for the Council and the local community. This includes travel to sister and friendship cities.
- 6.6 Councillors seeking approval for any interstate and long-distance intrastate travel must submit a case to, and obtain the approval of, the General Manager prior to travel.
- 6.7 Councillors seeking approval for any overseas travel must submit a case to, and obtain the approval of, a full Council meeting prior to travel.
- 6.8 The case should include:
  - objectives to be achieved in travel, including an explanation of how the travel aligns with current Council priorities and business, the community benefits which will accrue as a result, and its relevance to the exercise of the Councillor's civic duties;
  - who is to take part in the travel;
  - duration and itinerary of travel; and
  - a detailed budget including a statement of any amounts expected to be reimbursed by the participant/s.

- 6.9 For interstate and long-distance intrastate journeys, the class of air travel is to be economy class or as determined by the General Manager.
- 6.10 For international travel, the class of air travel is to be economy class or as determined by the General Manager.
- 6.11 Bookings for approved air travel are to be made through the General Manager's office.
- 6.12 For air travel that is reimbursed as Council business, Councillors will not accrue points from the airline's frequent flyer program. This is considered a private benefit.
- 6.13 A Councillor who travels in a private vehicle will be reimbursed by kilometre at the rate contained in the Local Government (State) Award or airfare, whichever is the lower.

### *Travel expenses not paid by Council*

- 6.14 Council will not pay any traffic or parking fines or administrative charges for road toll accounts.

### *Accommodation and meals*

- 6.15 In circumstances where it would introduce undue risk for a Councillor to travel to or from official business in the late evening or early morning, reimbursement of costs for accommodation and meals on the night before or after the meeting may be approved by the General Manager. This includes where a meeting finishes later than 9.00pm or starts earlier than 7.00am and the Councillor lives more than 50 kilometres from the meeting location.
- 6.16 Council will reimburse costs for accommodation and meals while Councillors are undertaking prior approved travel or professional development outside the Richmond Valley area. Accommodation is to be at a standard of up to four-star rating.
- 6.17 The daily limits for accommodation and meal expenses within Australia are to be consistent with those set out in Part B Monetary Rates of the NSW Crown Employees (Public Service Conditions of Employment) Reviewed Award 2009, as adjusted annually.
- 6.18 The daily limits for accommodation and meal expenses outside Australia are to be determined in advance by the General Manager, being mindful of Clause 6.17.

### *Refreshments for Council related meetings*

- 6.19 Appropriate refreshments will be available for Council meetings, Council committee meetings, Councillor briefings, approved meetings and engagements, and official Council functions as approved by the General Manager.
- 6.20 As an indicative guide for the standard of refreshments to be provided at Council related meetings, the General Manager must be mindful of Part B Monetary Rates of the NSW Crown Employees (Public Service Conditions of Employment) Reviewed Award 2009, as adjusted annually.

### *Professional development*

- 6.21 Council will set aside an amount annually in its budget to facilitate professional development of Councillors through programs, training, education courses and membership of professional bodies.

- 6.22 In the first year of a new Council term, Council will provide a comprehensive induction program for all Councillors which considers any guidelines issued by the Office of Local Government (OLG). The cost of the induction program will be in addition to the ongoing professional development funding.
- 6.23 Annual membership of professional bodies will only be covered where the membership is relevant to the exercise of the Councillor's civic duties, the Councillor actively participates in the body and the cost of membership is likely to be fully offset by savings from attending events as a member.
- 6.24 Approval for professional development activities is subject to a prior written request to the General Manager outlining the:
- details of the proposed professional development;
  - relevance to Council priorities and business; and
  - relevance to the exercise of the Councillor's civic duties.
- 6.25 In assessing a Councillor request for a professional development activity, the General Manager must consider the factors set out in Clause 6.26, as well as the cost of the professional development in relation to the Councillor's remaining budget.

### *Conferences and seminars*

- 6.26 Council is committed to ensuring its Councillors are up to date with contemporary issues facing Council and the community, and local government in NSW.
- 6.27 Council will set aside an amount annually in its budget to facilitate Councillor attendance at conferences and seminars. This allocation is for all Councillors. The General Manager will ensure that access to expenses relating to conferences and seminars is distributed equitably.
- 6.28 Approval to attend a conference or seminar is subject to a written request to the General Manager. In assessing a Councillor request, the General Manager must consider factors including the:
- relevance of the topics and presenters to current Council priorities and business and the exercise of the Councillor's civic duties; and
  - cost of the conference or seminar in relation to the total remaining budget.
- 6.29 Council will meet the reasonable cost of registration fees, transportation and accommodation associated with attendance at conferences approved by the General Manager. Council will also meet the reasonable cost of meals when they are not included in the conference fees. Reimbursement for accommodation and meals not included in the conference fees will be subject to Clauses 6.16-6.18.

### *Information and communications technology (ICT) expenses*

- 6.30 Council will provide Councillors with appropriate electronic equipment for communication services. This may include mobile phones, tablets and associated data. All equipment is to be utilised within the guidelines outlined in relevant Council policies and procedures.
- 6.31 Council will reimburse costs for mobile telephone calls equal to fifty percent (50%) of the total cost of the mobile telephone account claimed up to a maximum of \$100.00 per quarter.

### *Special requirement and carer expenses*

- 6.32 Council encourages wide participation and interest in civic office. It will seek to ensure Council premises and associated facilities are accessible, including provision for sight or hearing-impaired Councillors and those with other disabilities.
- 6.33 In addition to the provisions above, the General Manager may authorise the provision of reasonable additional facilities and expenses in order to allow a Councillor with a disability to perform their civic duties.
- 6.34 Councillors who are the principal carer of a child or other elderly, disabled and/or sick immediate family member will be entitled to reimbursement of carer's expenses when provided by a registered provider if a Councillor is required to arrange such while on reasonable Council business.
- 6.35 Child care expenses may be claimed for children up to and including the age of 16 years where the carer is not a relative.
- 6.36 In the event of caring for an adult person, Councillors will need to provide suitable evidence to the General Manager that reimbursement is applicable. This may take the form of advice from a medical practitioner.

### *Home office*

- 6.37 Council will provide a filing cabinet up to a four-drawer capacity while Councillors are in office.

### *Accompanying persons*

- 6.38 Council will meet the costs of a Councillor's accompanying person in the following circumstances:
- Cost of registration and official conference dinner at the Local Government NSW Annual Conference. Cost of accommodation and travel are to be met by the Councillor.
  - Payment of expenses at official Council functions that are of a formal or ceremonial nature within the Council's area, for example, Australia Day Awards and Civic Receptions.
  - Payment of expenses for the accompanying person of a Mayor (or Councillor when they are representing the Mayor), when they are called upon to attend an official function of Council or carry out an official duty while accompanying the Mayor outside Council's area, but within the State. This is to be restricted to direct costs associated with the function.

## **7 Insurance**

- 7.1 In accordance with Section 382 of the *Local Government Act*, Council is required to make arrangements for adequate insurance against public liability and professional liability, with Councillors to receive the benefit of insurance cover for:
- Public liability (for matters arising out of Councillor's performance of their civic duties and/or exercise of their council functions);
  - Professional indemnity (for matters arising out of Councillor's performance of their civic duties and/or exercise of their council functions); and

  - a Councillor defending an action in defamation, provided the statements complained of were made in good faith in the course of exercising a function under the Act and the outcome of the legal proceedings is favourable to the Councillor;
  - a Councillor for proceedings before an appropriate investigative or review body, provided the subject of the proceedings arises from the performance in good faith of a function under the Act and the matter has proceeded past any initial assessment phase to a formal investigation or review and the investigative or review body makes a finding substantially favourable to the Councillor.
- 8.2 In the case of a code of conduct complaint made against a Councillor, legal costs will only be made available where the matter has been referred by the General Manager to a conduct reviewer and the conduct reviewer has commenced a formal investigation of the matter and makes a finding substantially favourable to the Councillor.
- 8.3 Legal expenses incurred in relation to proceedings arising out of the performance by a Councillor of his or her functions under the Act are distinguished from expenses incurred in relation to proceedings arising merely from something that a Councillor has done during his or her term in office. For example, expenses arising from an investigation as to whether a Councillor acted corruptly would not be covered by this section.
- 8.4 Council will not meet the legal costs:
- of legal proceedings initiated by a Councillor under any circumstances;
  - of a Councillor seeking advice in respect of possible defamation, or in seeking a non-litigious remedy for possible defamation;
  - for any costs incurred by Senior Counsel; or
