Road Rename - Arthur Street, Casino

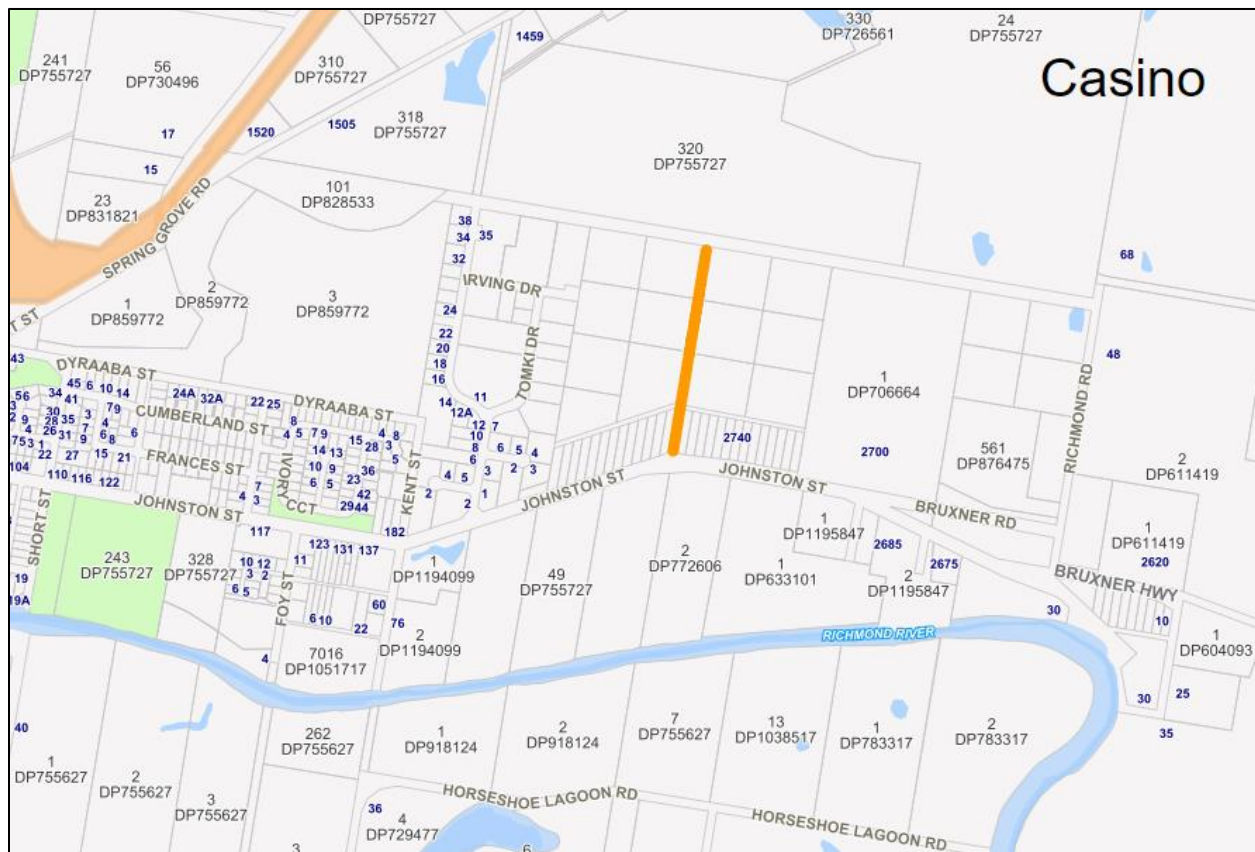

Located in Casino are 2 Arthur Street's, the first street is located off Canterbury Street connecting to Gitana Street, with the second Arthur Street (proposed to be renamed) being located off Johnston Street.

The Arthur Street located off Johnston Street is a non-maintained Council owned road, which is formed for the first 201m.

The road provides access to residential properties. This road is proposed to be renamed due to the confusion created with addressing by having 2 streets in the one town with the same name.

Map 2 – Road proposed to be renamed

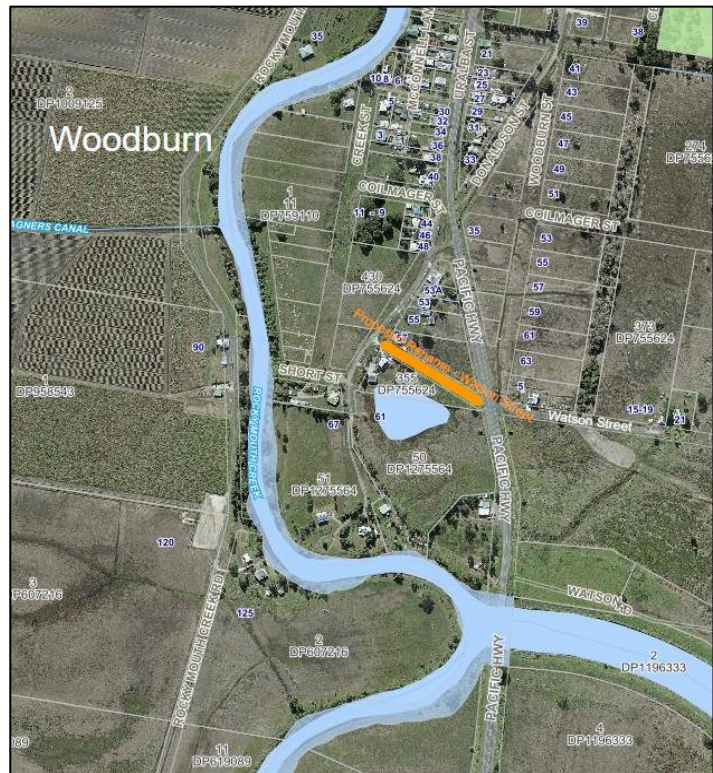

Map 1

Road Rename - Watson Street, Woodburn

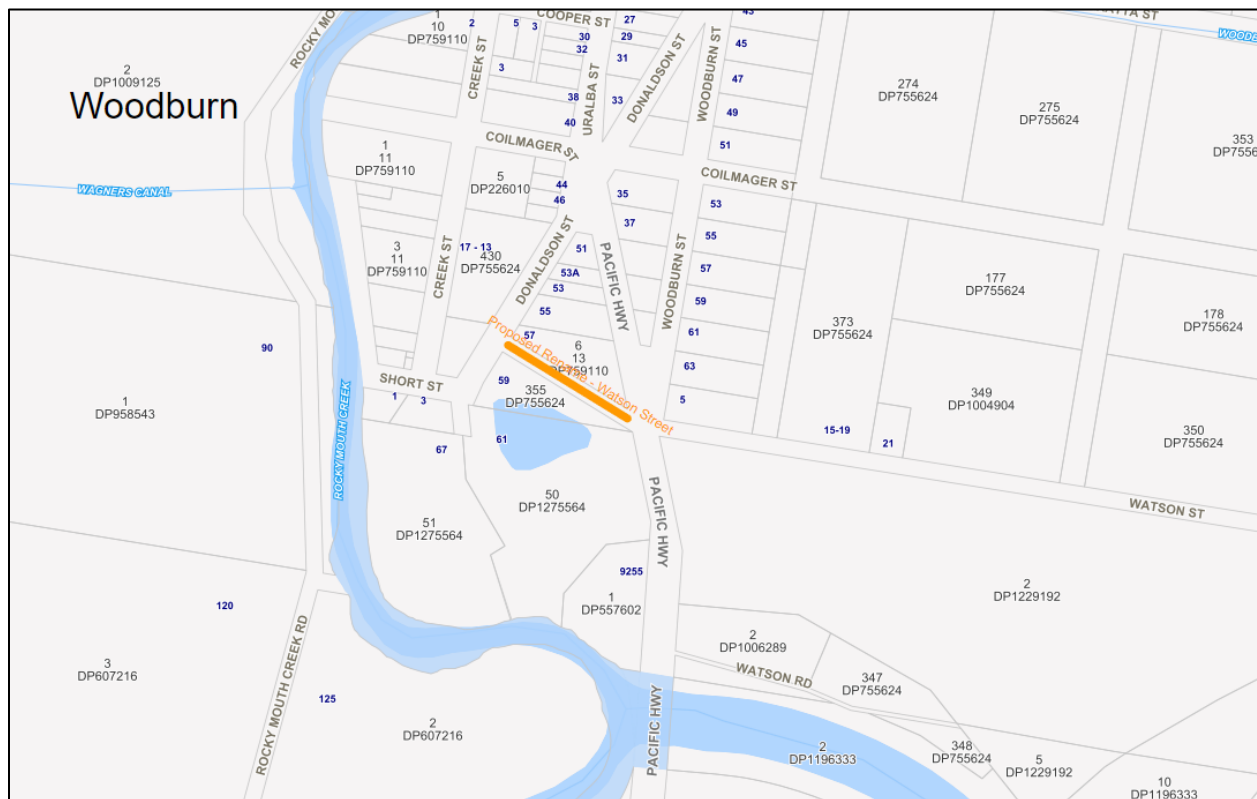

Watson Street Woodburn is split into two sections with one portion being located between Donaldson Street and the Old Pacific Highway, and the second portion on a sealed road being located between the Old Pacific Highway and Norman Street.

The first portion located off Donaldson Street is proposed to be renamed and is a sealed road for the first 30m, the road is maintained by Council with the remainder 139m being an unsealed non-maintained road.

The road provides access to surrounding residential properties.

Map 3

Map 4

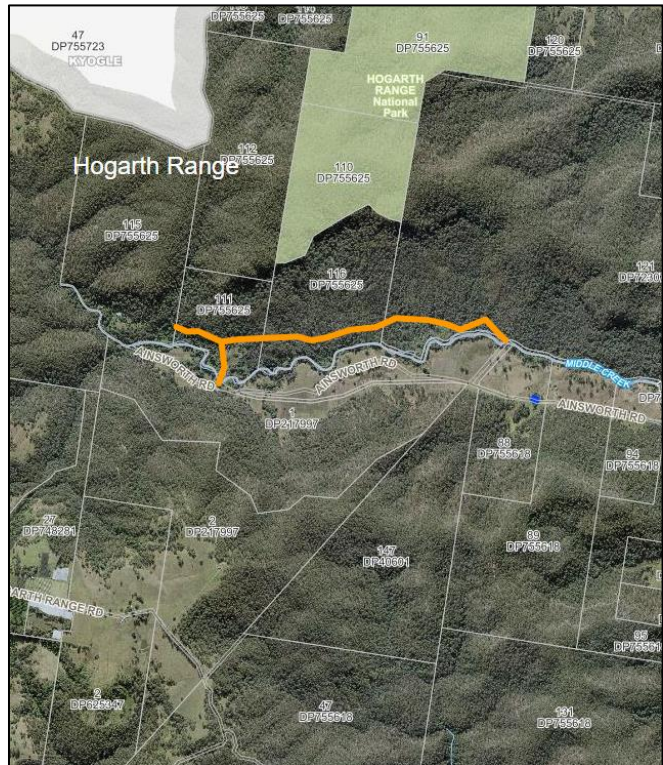

Unnamed Road off Ainsworth Road, Hogarth Range

The unnamed road located off Ainsworth Road, Hogarth Range is a formed Crown Lands owned road.

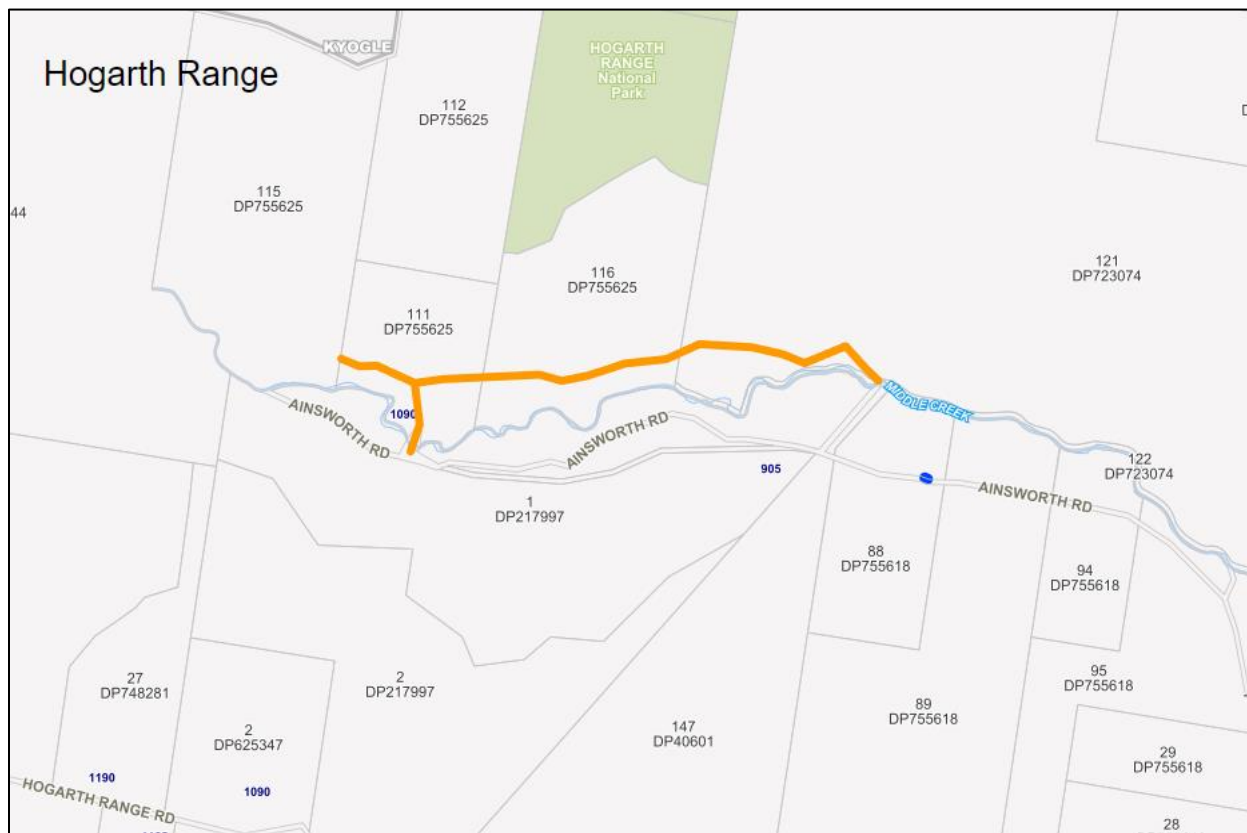

The road is not maintained by Council and provides access to surrounding properties and land.

The unnamed road stretches for a total of 2.5km in length
