

# KOALA SMART<sup>®</sup>

Founded by the Tacking Point Lions Club

Free classroom ready resources

- Lesson plans
- Worksheets
- Presentations
- And more!

Koala Smart is a multi-faceted web-based program that provides teachers the tools to **educate**, **inspire** and **motivate** students to find a way to think about and support change which will protect koalas and koala habitat for generations to come.

History • Art • Humanities • Sustainability • English • STEM

**Curriculum Aligned**

Geography • Secondary

Designed for Primary and Secondary

*Teachers, register now!*

# Take learning beyond the classroom!

Koala Smart offers financial support to assist selected student projects to save the Koala in your community.

Contact us to connect with **local conservationists** and get involved with our **guest speaker program**.
