All owner(s) of the land to be developed must sign the application

Owners' names must match those included in Council's rates system. If the owner is a company or corporation, then a director, secretary or authorized delegate must sign. If the land is Crown land, an authorised officer of the relevant Crown authority must sign the application. For Strata buildings, the consent of the Owners Corporation is needed for the development on common property. If Council is the land owner, you will need to obtain owner's consent prior to lodging the application. An original signature must be provided

Owner's Declaration

- As owner/s of the land nominated below, I/we consent to lodgement of the application/s
- I/we also consent for authorised council officers to enter the land or premises to carry out inspections and surveys or take measurements or photographs as required for the administration of the Act/s, Regulations or Planning Instrument.
- I/we acknowledge that applications will be published on DA Tracking on Council's website and have read and understand the information on Page 3 of this form.
- I/we consent to Council applying the minor corrective changes to my/our applications within the e-Planning Portal, as per previous written advice.

Please note: If you are signing on the owner's behalf as the owner's legal representative, you must state the nature of your legal authority and attach documentary evidence (e.g. power of attorney, executor, trustee, company director, etc). An original signature must be provided.
