

Richmond Valley Council Government Contracts Register 2023/2024

Under Division 5 of the Government Information (Public Access) Act 2009 (GIPA Act), Richmond Valley Council must maintain a register of government contracts. The register must contain information pertaining to the following types of contracts:

- Class 1 contracts, being those contracts to which Council is a party that has (or is likely to have) a value of \$150,000 (including GST) or more
- Class 2 contracts, being Class 1 contracts to which any of the following apply:
 - o there has not been a tender process, the proposed contract has not been made publicly available and the terms and conditions of the contract have been negotiated directly with the contractor,
 - o the proposed contract (whether or not made publicly available) has been the subject of a tendering process and the terms and conditions of the contract have been substantially negotiated with the successful tenderer,
 - o the obligations of one or more parties under the contract to maintain or operate infrastructure or assets could continue for 10 years or more,
 - o the contract involves a privately financed project as defined by guidelines published by the Treasury (as in force from time to time),
 - o the contract involves a transfer of a significant asset of the agency concerned to another party to the contract in exchange for the transfer of an asset to the agency.
- Class 3 contracts, being Class 2 contracts with (or likely to have) a value of \$5 million or more (a copy of the contract must be attached to the Register (with the exception of commercial in confidence information where there is a public interest against disclosure)).
