

WHERE DOES THE REVENUE GO?

The waste charges reflect the following costs:

- NSW Government waste levy of \$100.30 per tonne. The levy is collected by Council on behalf of the government.
- Landfill operational costs including licensing, monitoring and environmental management.
- Special handling and processing to allow the reuse of some wastes such as concrete, bricks, green waste and soils.
- Further information can be found at www.richmondvalley.nsw.gov.au

PAYMENT METHODS AT FACILITIES

Richmond Valley Council waste management facilities accept cash, EFTPOS (except Rappville) and cheque. Customers may be eligible to open an account, subject to approval.

Additional charges will apply when waste requires special handling and management to ensure compliance with Work Health and Safety legislation and environmental protection standards on site.

The fees and charges are inclusive of GST and all statutory charges.

A minimum charge applies to all waste loads. See full fees and charges at www.richmondvalley.nsw.gov.au

ASBESTOS

Asbestos disposal is available at Nammoona. Conditions apply and 24 hours notification is required. Please call 6662 6580.

FREE TESTING KITS AVAILABLE AT COUNCIL'S CASINO AND EVANS HEAD OFFICES

Asbestos disposal kits are available to purchase for \$75.00 per kit

SAFETY FIRST

Safety procedures are in place at all waste management sites for the protection of everyone and must be followed at all times. As a minimum, while on site we ask that you:

- **Obey speed limits, staff instruction and all signs**
- **Do not smoke anywhere on site**
- **Keep children and pets supervised and inside vehicles**
- **Wear enclosed shoes at all times and other personal protective equipment, such as gloves**
