14.3 DRAFT RICHMOND VALLEY COUNCIL WORKFORCE STRATEGY

EXECUTIVE SUMMARY

Richmond Valley Council's draft Workforce Strategy 2025–2029 has been developed under the Integrated Planning and Reporting (IP&R) requirements, to support the Community Strategic Plan and the 2025–2029 Delivery Program. The Strategy provides a comprehensive framework to attract, retain, and develop a capable, inclusive, and future-ready workforce that reflects the values and aspirations of the Richmond Valley community.

Over the past five years, Richmond Valley Council has faced significant challenges from natural disasters and a changing economic climate yet has continued to deliver strong outcomes through a locally-based and community-focussed workforce. The next four years will see increasing demands on resources as Council undertakes one of its most ambitious capital works programs to support new growth and continued flood recovery. The draft strategy sets a pathway to address these challenges and increase local employment opportunities.

The draft Workforce Strategy has been prepared in consultation with staff and is structured around four key focus areas and eleven strategic objectives, each supported by measurable actions. The document is now presented for Council's consideration.

RESOLUTION 240625/7

Moved: Cr Sandra Humphrys Seconded: Cr Robert Hayes

17.1 CODE OF MEETING PRACTICE REVIEW

EXECUTIVE SUMMARY

Section 360(3) of the *Local Government Act 1993* (the Act) requires a Council to adopt a code of meeting practice no later than 12 months after a local government election, in this instance held in September 2024.

The Code must include the mandatory provisions of the Model Code of Meeting Practice, prescribed under the *Local Government (General) Regulation 2021* (the Regulation). The Office of Local Government (OLG) is currently reviewing the Model Code, with a view to introducing substantial changes to the provisions. However, these proposed amendments are not expected to be finalised in time to meet the current deadline for exhibition and adoption of Council's Code.

It is therefore recommended that Council adopts its existing Code as an interim measure, to ensure compliance with the legislative requirements. Should Council endorse this option, the document will be placed on public exhibition period for 28 days, with a community feedback period of not less than 42 days.

RESOLUTION 240625/10

Moved: Cr Sandra Humphrys Seconded: Cr Robert Hayes

- That Council:
 - (a) Notes the NSW Government's current review of the Model Code of Meeting Practice and the expectation that any proposed amendments will not be finalised within the required timeframe.
 - (b) Notes that, pending the outcome of the review, no further changes are proposed to Council's Draft Code of Meeting Practice, at this time, as outlined in this report;
 - (c) Publicly exhibits the Draft Code of Meeting Practice for a minimum of 28 days following the June 2025 Ordinary Meeting; and
 - (d) Notes that following a 42-day period to allow for community feedback, the Draft Code of Meeting Practice will be brought before Council at a future meeting for adoption.

17.2 CODE OF CONDUCT REVIEW

EXECUTIVE SUMMARY

Section 440(7) of the *Local Government Act 1993* (the Act) requires a Council to review and adopt its Code of Conduct within 12 months of a local government election, in this instance being September 2024.

The Office of Local Government (OLG) most recently amended the Model Code of Conduct for NSW Councils (the Model Code) in late 2020, along with the Procedures for the Administration of the Model Code of Conduct for NSW Councils (the Procedures). However, OLG is currently conducting a further review of the Code with a view to making significant changes in the future. To date, no timeframe has been confirmed for these proposed amendments. In the interim it is recommended that Council adopts the current Code, to ensure compliance with the Act requirements.

RESOLUTION 240625/11

Moved: Cr Sandra Humphrys Seconded: Cr Robert Hayes

That Council:

- Notes the Draft Richmond Valley Council Code of Conduct incorporates the Model Code of Conduct for NSW Councils and the Procedures for the Administration of the Model Code of Conduct for NSW Councils, and that no changes are recommended as outlined in this report
- Places the Draft Code of Conduct on public exhibition for a minimum of 28 days following the June 2025 Ordinary Meeting; and

17.6 CIVIC RISK MUTUAL INSURANCE PERFORMANCE REPORT

EXECUTIVE SUMMARY

Civic Risk Mutual (the Mutual) is Council's provider for insurance and related risk management services. The Mutual consists of 27 member councils from NSW and Victoria who work together to achieve more affordable and comprehensive insurance coverage and improve risk management practices.

Other benefits from being a member of the Mutual are included in this report.

This involves direct meetings annually with major insurance providers in London, with presentations by the Mutual's broker, Chairman and Deputy Chairman of the Board and the CEO. The Mutual has extended the opportunity to participate in these discussions to other Board Members, with Council's General Manager being invited to represent the Board at the meetings/presentations to be held in London this September 2025, which is being funded by the Mutual.

Richmond Valley Council (Council) has established an Audit, Risk and Improvement Committee (ARIC) in compliance with section 428A of the Local Government Act 1993, the Local Government (General) Regulation 2021 and the Office of Local Government's Guidelines for risk management and internal audit for local government in NSW. These terms of reference set out the ARIC's objectives, authority, composition and tenure, roles and responsibilities, reporting and administrative arrangements.

#### 1. Definitions

Internal Audit Coordinator – Council employee internally responsible for the Internal Audit Function of the Council

Internal Audit Function – the function which provides internal audit services to the Council

Internal Audit Provider - the external third-party provider of internal audit services

#### 2. Objective

The objective of the ARIC is to provide independent assurance to the Council by monitoring, reviewing and providing advice about the Council governance processes, compliance, risk management and control frameworks, external accountability obligations and overall performance.

#### 3. Independence

The ARIC is to be independent to ensure it has no real or perceived bias or conflicts of interest that may interfere with its ability to act independently and to provide the Council with robust, objective and unbiased advice and assurance.

The ARIC is to have an advisory and assurance role only and is to exercise no administrative functions, delegated financial responsibilities or any management functions of the Council. The ARIC provides independent advice to the Council that is informed by the Council internal audit and risk management activities and information and advice provided by staff, relevant external bodies and subject matter experts.

The ARIC must always ensure it maintains a direct reporting line to and from the Internal Audit Function and act as a mechanism for internal audit to report to the governing body and the General Manager on matters affecting the performance of the Internal Audit Function.

#### 4. Authority

The Council authorises the ARIC, for the purposes of exercising its responsibilities, to:

- → access any information it needs from the Council
- → use any Council resources it needs
- → have direct and unrestricted access to the General Manager and senior management of the Council
- → seek the General Manager's permission to meet with any other Council staff member or contractor
- → discuss any matters with the external auditor or other external parties
- → request the attendance of any employee at ARIC meetings, and
- → seek approval from the General Manager to obtain external legal or other professional advice in line with the Councils' procurement policies.

Richmond Valley Council - Audit, Risk and Improvement Committee Terms of Reference

Information and documents pertaining to the ARIC are confidential and are not to be made publicly available. The ARIC may only release Council information to external parties that are assisting the ARIC to fulfil its responsibilities with the approval of the General Manager, except where it is being provided to an external investigative or oversight agency for the purpose of informing that agency of a matter that may warrant its attention.

#### 5. Committee Composition and Tenure

The ARIC consists of an Independent Chair and two Independent Members who have voting rights with the option of one non-voting Councillor, as required under the *Local Government (General) Regulation 2021*.

The governing body is to appoint the Chair and members of the ARIC. Current ARIC members are:

Ron Gillard Independent Chair (voting)

Emma Fountain Independent Member (voting)

Jay Jo Independent Member (voting)

Cr John Walker Councillor Member (non-voting)

All ARIC members must meet the independence and eligibility criteria prescribed under the *Local Government (General) Regulation 2021*.

Members will be appointed for up to a four-year term. Members can be reappointed for one further term, but the total period of continuous membership cannot exceed eight years. This includes any term as Chair of the ARIC. Members who have served an eight-year term (either as a member or as Chair) must have a two-year break from serving on the ARIC before being appointed again. To preserve the ARIC's knowledge of the Council, ideally, no more than one member should retire from the ARIC because of rotation in any one year.

The terms and conditions of each member's appointment to the ARIC are to be set out in a letter of appointment. New members will be thoroughly inducted to their role and receive relevant information and briefings on their appointment to assist them to meet their responsibilities.

Prior to approving the reappointment or extension of the Chair's or an Independent Member's term, the governing body is to undertake an assessment of the Chair's or Independent Member's performance. Reappointment of the Chair or an Independent Member is also to be subject to that person still meeting the independence and eligibility requirements prescribed under the *Local Government (General) Regulation* 2021.

Members of the ARIC must possess and maintain a broad range of skills, knowledge and experience relevant to the operations, governance and financial management of the Council, the environment in which the Council operates, and the contribution that the ARIC makes to the Council. At least one member of the ARIC must have accounting or related financial management experience with an understanding of accounting and auditing standards in a local government environment. All members

Richmond Valley Council - Audit, Risk and Improvement Committee Terms of Reference

should have sufficient understanding of the Council financial reporting responsibilities to be able to contribute to the committee's consideration of the Council annual financial statements.

#### 6. Role

As required under section 428A of the *Local Government Act 1993* (the Act), the role of the ARIC is to review and provide independent advice to the Council regarding the following aspects of the Council operations:

- → compliance
- → risk management
- → fraud control
- → financial management
- → governance
- → implementation of the strategic plan, delivery program and strategies
- → service reviews
- → collection of performance measurement data by the Council, and
- → internal audit.

The ARIC must also provide information to the Council for the purpose of improving the Council performance of its functions.

The ARIC's specific audit, risk and improvement responsibilities under section 428A of the Act are outlined in Schedule 1 to this document.

The ARIC will act as a forum for consideration of the Internal Audit Function and oversee its planning, monitoring and reporting to ensure it operates effectively.

The ARIC has no power to direct external audit or the way it is planned and undertaken but will act as a forum for the consideration of external audit findings.

The ARIC is directly responsible and accountable to the governing body for the exercise of its responsibilities. In carrying out its responsibilities, the ARIC must at all times recognise that primary responsibility for management of the Council rests with the governing body and the General Manager.

The responsibilities of the ARIC may be revised or expanded in consultation with, or as requested by, the governing body from time to time.

#### 7. Responsibilities of Members

If the Councillor Member of the ARIC engages in such conduct or in any other conduct that may bring the ARIC and its work into disrepute, the Chair of the ARIC may recommend to the Council, that the Councillor Member be removed from membership of the ARIC. Where the Council does not agree to the ARIC Chair's recommendation, the Council must give reasons for its decision in writing to the Chair.

### 7.4. Conflicts of Interest

Once a year, ARIC members must provide written declarations to the Council stating that they do not have any conflicts of interest that would preclude them from being members of the ARIC. Independent ARIC members are 'designated persons' for the purposes of the Council's Code of Conduct and must also complete and submit returns of their interests.

When considering whether to vary the strategic or annual work plans, the ARIC must consider the impact of the variation on the Internal Audit Function's existing workload and the completion of pre-existing priorities and activities identified under the work plan.

# 9. Assurance Reporting

The ARIC must regularly report to the Council to ensure that it is kept informed of matters considered by the ARIC and any emerging issues that may influence the strategic direction of the Council or the achievement of the Council's goals and objectives.

The ARIC will provide an update to the governing body and the General Manager of its activities and opinions after every ARIC meeting.

The ARIC will provide an annual assessment to the governing body and the General Manager on the ARIC's work.

Richmond Valley Council - Audit, Risk and Improvement Committee Terms of Reference

Should the governing body require additional information, a request for the information may be made to the Chair of the ARIC by resolution. The Chair is only required to provide the information requested by the governing body where the Chair is satisfied that it is reasonably necessary for the governing body to receive the information for the purposes of performing its functions under the Local Government Act. Individual Councillors are not entitled to request or receive information from the ARIC.

# 10. Administrative Arrangements

# 10.1. Meetings

ARIC meetings can be held in person, by telephone or videoconference. Proxies are not permitted to attend meetings if an ARIC member cannot attend.

A quorum will consist of a majority of independent voting members. Where the vote is tied, the Chair has the casting vote.

The Chair of the ARIC will decide the agenda for each ARIC meeting in consultation with the Internal Audit Coordinator. Each ARIC meeting is to be minuted to preserve a record of the issues considered and the actions and decisions taken by the ARIC.

The ARIC can hold closed meetings whenever it needs to discuss confidential or sensitive issues with only voting members of the ARIC present.

The ARIC must meet separately with the Internal Audit Coordinator and the Council's external auditor at least once each year.

In the event of a disagreement between the ARIC and the General Manager or other senior managers, the dispute is to be resolved by the governing body.

Unresolved disputes regarding compliance with statutory or other requirements are to be referred to the Departmental Chief Executive of the Office of Local Government in writing.

### 10.3. Secretariat

### 10.4. Remuneration

Remuneration will be reviewed by the Council at least once every Council term and more frequently where required.

The fees paid to independent ARIC members will increase annually by the percentage allocated to Councillors by the Independent Pricing and Regulatory Tribunal determination. This will take effect for each independent ARIC member, including the Chair, on the anniversary date each year commencing at the completion of the first year.

As required by the *Guidelines for risk management and internal audit for local government in NSW*, Council will pay the superannuation guarantee liability on independent ARIC members meeting fees directly into the individual member's designated fund under the Superannuation Guarantee (Administration) Act 1992 (Cth).

With prior approval from the General Manager, the Council will reimburse reasonable travel and accommodation expenses associated with attending ARIC meetings in person. Wherever possible, the Council will book services directly with providers of its choosing, and members travelling by car will be reimbursed for their return trip using the current Australian Tax Office cents per kilometre rate.

Richmond Valley Council (Council) has established the Internal Audit Function as a key component of the Council's governance and assurance framework and in compliance with the *Local Government (General) Regulation 2021* and the Office of Local Government's *Guidelines for risk management and internal audit for local councils in NSW.* 

This Charter provides the mandate for the conduct of the Internal Audit Function at Council and has been approved by the governing body considering the advice of the Audit, Risk and Improvement Committee (ARIC).

# 1. Definitions

<u>Internal Audit Coordinator</u> – Council employee internally responsible for the Internal Audit Function of the Council (equivalent of 'Chief Audit Executive' under the International Professional Practices Framework ("IPPF") issued by the Institute of Internal Auditors ("IIA"))

<u>Internal Audit Function</u> – the function which provides internal audit services to the Council

# 2. Purpose of Internal Audit

Internal audit strengthens the organisation's ability to create, protect, and sustain value by providing Council with independent, risk-based, and objective assurance, advice, insight, and foresight.

It achieves this by providing advice to the governing body, General Manager and ARIC about the Council's governance processes, risk management and control frameworks and its external accountability obligations. It also assists the Council to improve its business performance.

Internal Audit services may include:

- Assurance Services objective examination of evidence for the purpose of providing an independent assessment of risk management, control and governance processes.
- Advisory Services advisory and related client activities, the nature and scope of which are agreed upon with the client and which are intended to add value and improve business operations.

# 3. Role

The Internal Audit Function is to support the ARIC to review and provide independent advice to the Council in accordance with section 428A of the *Local Government Act* 1993. This includes conducting internal audits of Council and monitoring the implementation of corrective actions.

The Internal Audit Function is to also play an active role in:

- → developing and maintaining a culture of accountability and integrity
- ightarrow facilitating the integration of risk management into day-to-day business activities and processes, and
- → promoting a culture of high ethical standards.

Richmond Valley Council - Internal Audit Charter

The Internal Audit Function has no direct authority or responsibility for the activities it reviews. The Internal Audit Function has no responsibility for developing or implementing procedures or systems and does not prepare records or engage in Council functions or activities (except in carrying out its own functions).

# 4. Internal Audit Coordinator

Day to day management of Council's Internal Audit Function is the responsibility of the Internal Audit Coordinator. The Internal Audit Coordinator must have sufficient skills, knowledge and experience to fulfil the Internal Audit Function's role and responsibilities to the Council and the ARIC. The Internal Audit Coordinator must be independent, impartial, unbiased and objective when performing their work and free from any conflicts of interest.

Responsibilities of the Internal Audit Coordinator include:

- → contract management
- → managing the internal audit budget
- → ensuring the external provider completes internal audits in line with the ARIC's annual work plan and four-year strategic work plan
- → forwarding audit reports by the external provider to the ARIC
- → acting as a liaison between the external provider and the ARIC
- → monitoring Council's implementation of corrective actions that arise from the findings of audits and reporting progress to the ARIC, and
- → assisting the ARIC to ensure the Council's internal audit activities comply with the Office of Local Government's Guidelines for risk management and internal audit for local government in NSW.

Within Council's structure, the Internal Audit Coordinator is responsible for a range of non-audit functions and in this regard the following safeguards apply:

- → when performing those duties, they are not acting in their internal audit role and the reporting lines specified in this Charter do not apply, and
- → if an internal audit is required of one of the non-audit functions for which the Internal Audit Coordinator is responsible, the external service provider will report directly to the General Manager and the ARIC on the results of the audit.

# 5. Internal Audit Provider (External Service Provider)

Council is to contract an external third-party provider to undertake its internal audit activities. To ensure the independence of the external provider, the Internal Audit Coordinator will ensure that the external provider:

- → does not conduct any audits on specific Council operations or areas that the external service provider has provided consulting services on in the last two years (excluding the conduct of internal audits in these areas)
- → is not the same provider conducting Council's external audit
- → is not the auditor of any contractors of Council that may be subject to the internal audit, and
- → can satisfy the requirements of the Office of Local Government's Guidelines for risk management and internal audit for local government in NSW.

Richmond Valley Council - Internal Audit Charter

The Internal Audit Coordinator must consult with the ARIC and General Manager regarding the appropriateness of the skills, knowledge and experience of any external provider before they are engaged by Council.

# 6. Independence

Council's Internal Audit Function is to be independent of the Council so it can provide an unbiased assessment of the Council's operations and risk and control activities.

The Internal Audit Function reports functionally to the ARIC on the results of completed audits, and for strategic direction and accountability purposes, and reports administratively to the General Manager to facilitate day-to-day operations. Internal audit activities are not subject to direction by the Council and Council's management has no role in the exercise of the internal audit activities.

The ARIC is responsible for communicating any internal audit issues or information to the Council. Should the Council require additional information, a request for the information may be made to the ARIC Chair by resolution. The Chair is only required to provide the information requested by the Council where the Chair is satisfied that it is reasonably necessary for the Council to receive the information for the purposes of performing its functions under the Local Government Act. Individual Councillors are not entitled to request or receive information from the Internal Audit Coordinator or the ARIC.

The General Manager must consult with the ARIC Chair before appointing or making decisions affecting the employment of the Internal Audit Coordinator. If the Internal Audit Coordinator is dismissed, the General Manager must report the reasons for their dismissal to the Council. The ARIC, through the Chair, will contribute to the annual performance assessment of the Internal Audit Coordinator (in relation to their internal audit role only).

Where the ARIC Chair has any genuine concerns about the independence of the Internal Audit Coordinator, or any action taken that may compromise their ability to undertake their functions independently, they should report their concerns to the General Manager and/or the governing body.

The Internal Audit Coordinator is to confirm at least annually to the ARIC the independence of internal audit activities from Council.

### 7. Conduct and Standards

Internal audit personnel (including external providers) must comply with the Council's Code of Conduct. Complaints about breaches of the Council's Code of Conduct by internal audit personnel are to be dealt with in accordance with the *Procedures for the Administration of the Model Code of Conduct for Local Councils in NSW*. The General Manager must consult with the ARIC before any disciplinary action is taken against the Internal Audit Coordinator in response to a breach of the Council's Code of Conduct. Declaration and management of conflicts of interest will occur in line with the requirements of Council's Code of Conduct.

Internal audit personnel will govern themselves by adherence to mandatory guidance contained in the International Professional Practices Framework ("IPPF") issued by the

Richmond Valley Council - Internal Audit Charter

Item 17.2 - Attachment 2 Page 52

Institute of Internal Auditors ("IIA") in 2024, including the Global Internal Audit Standards.

This mandatory guidance constitutes the fundamental requirements for the professional practice of internal auditing and the principles against which to evaluate the effectiveness of the Internal Audit Function's performance.

The Internal Audit Function, including external service providers, will perform their work in accordance with the IPPF. While the IPPF applies to all internal audit work, technology audits may also apply the ISACA standards contained in the Information Technology Assurance Framework ("ITAF"). Where relevant, the current Australian risk management standard may also be applied.

# 8. Authority and Confidentiality

Council authorises the Internal Audit Function to have full, free and unrestricted access to all functions, premises, assets, personnel, records and other documentation and information that the Internal Audit Coordinator considers necessary for the Internal Audit Function to undertake its responsibilities.

All records, documentation and information accessed while undertaking internal audit activities are to be used solely for the conduct of those activities. All internal audit personnel are individually responsible and accountable for maintaining the confidentiality of the information they receive when undertaking their work.

All internal audit documentation, including external service provider work papers, will remain the property of Council.

Information and documents pertaining to the Internal Audit Function are not to be made publicly available. The Internal Audit Function may only release Council information to external parties that are assisting the Internal Audit Function to undertake its responsibilities with the approval of the General Manager, except where it is being provided to an external investigative or oversight agency for the purpose of informing that agency of a matter that may warrant its attention and is a legal requirement.

# 9. Performing Internal Audit Activities

The work of the Internal Audit Function is to be thoroughly planned and executed.

The Internal Audit Function must also develop an annual work plan to guide the work of internal audit over the forward year. The internal audit plan should be reviewed and approved by Council's ARIC.

The Internal Audit Coordinator will:

- → Provide the findings and recommendations of internal audits to the ARIC at the end of each audit. Each report is to include responses from the relevant senior manager(s).
- → Establish an ongoing monitoring system to follow up Council's progress in implementing corrective actions.

Richmond Valley Council - Internal Audit Charter

- → Develop and maintain policies and procedures to guide the operation of the Council's Internal Audit Function. These should be reviewed and approved by the ARIC as appropriate.
- → Ensure that the ARIC is advised at each meeting of the internal audit activities completed during that quarter, progress in implementing the annual work plan and progress made implementing corrective actions.

# 10. Administrative Arrangements

# 10.1 Audit, Risk and Improvement Committee Meetings

The Internal Audit Coordinator:

- → Will attend ARIC meetings as an independent non-voting observer. The Internal Audit Coordinator can be excluded from meetings by the ARIC at any time.
- → Must meet separately with the ARIC at least once per year.
- → As necessary, should meet with the Chair of the ARIC at any time between ARIC meetings.

# **10.2 Other Assurance Providers**

The activities of the Internal Audit Function and other assurance providers (including but not limited to external audit) will be coordinated to help ensure the adequacy of overall audit coverage and to minimise duplication of effort.

Periodic meetings and contact between the Internal Audit Function and other assurance providers shall be held to discuss matters of mutual interest and to facilitate coordination.

Internal audit plans, working papers and reports will be made available to other assurance providers as required.

# 10.3 Dispute Resolution

The Internal Audit Function should maintain an effective working relationship with the Council and the ARIC and seek to resolve any differences they may have in an amicable and professional way by discussion and negotiation.

In the event of a disagreement between the Internal Audit Function and the Council, the dispute is to be resolved by the ARIC. Disputes between the Internal Audit Function and the ARIC are to be resolved by the governing body.

Unresolved disputes regarding compliance with statutory or other requirements are to be referred to the Departmental Chief Executive of the Office of Local Government in writing.

# **10.4 Review Arrangements**

The ARIC must review the performance of the Internal Audit Function each year and report its findings to the governing body. A strategic review of the performance of the Internal Audit Function must be conducted each Council term that considers the views of an external party with a strong knowledge of internal audit and reported to the governing body.
